

N.A GLOBAL GROUP

PRIVACY POLICY

1. Information Collection

N.A GLOBAL GROUP may collect contact information, submitted drawings, specifications, technical documentation, uploaded files, quotation requests, and related communication records provided through website forms, email correspondence, or direct business engagement. All submitted information and technical documentation shall be treated as confidential and used solely for approved business, manufacturing, and project-related purposes unless otherwise authorized in writing.

2. Use of Information

Information submitted to N.A GLOBAL GROUP may be used for quotations, manufacturing review, project evaluation, production planning, customer communication, operational coordination, website functionality, and approved business-related purposes.

3. Confidential Information

All drawings, models, specifications, pricing information, and technical documentation submitted to N.A GLOBAL GROUP shall be treated as confidential and used solely for approved manufacturing and project-related purposes unless otherwise authorized in writing.

4. Cookies & Website Data

N.A GLOBAL GROUP may use cookies and similar technologies to improve website functionality, analyze website traffic, maintain performance, and enhance user experience. Website usage data may include browser type, device information, IP address, and general website interaction analytics.

5. Third-Party Services

Certain website functions and embedded services may operate through third-party providers. N.A GLOBAL GROUP is not responsible for the privacy policies or practices of third-party platforms or services.

6. Data Security

N.A GLOBAL GROUP works to maintain reasonable administrative, technical, and operational measures to protect submitted information and business-related data from unauthorized access, disclosure, or misuse.

7. Information Sharing

N.A GLOBAL GROUP does not sell customer information or submitted project data. Information may only be shared where necessary for approved manufacturing, shipping, operational, legal, or project-related purposes. Information may be shared with approved manufacturing, production, logistics, or operational partners where necessary for project execution and fulfillment.

8. Policy Updates

N.A GLOBAL GROUP reserves the right to revise or update this Privacy Policy at any time without prior notice. Continued use of the website or business engagement following updates shall constitute acceptance of the updated policy.
